EXPERIENCE

Softadom (Intern)

Sep, 2023 – May, 2024

Front End Developer

Remote

- Proficiently developed and maintained backend APIs, ensuring robust functionality and seamless integration with frontend systems.
- Successfully delivered end-to-end website solutions, leveraging modern technologies to enhance user experience and optimize performance.
- Profound experience in utilizing cutting-edge tools and frameworks such as React.js, Next.js, Prisma, Tailwind CSS, and other contemporary npm packages to build dynamic and responsive websites.
- Actively contributed to cross-functional teams, fostering a collaborative environment to achieve project objectives and exceed client expectations.

HireWave (Team)

Oct, 2023 – Dec, 2023

Front End Developer

Remote

- Worked in a dynamic team for two months, contributing to backend API development, website design, and frontend functionality.
- Gained hands-on experience in a production setting, collaborating with team members to meet deadlines and deliver high-quality results.
- Showed a willingness to learn new technologies and methods, continuously expanding skills to meet project needs.
- Promoted open communication and idea exchange within the team, ensuring alignment towards project goals.

PROJECTS

ps-Stickycoder
